In addition to the general information mentioned at i to X above, the institution may highlight the following, if it so desired:

History of the Institution	<p>LCE is firmly rooted and verdantly bloomed in our rich Indian culture with a laid emphasis on scientific temper and progressive outlook. Having taken off in 2007 with a faith in dreams and fire of will, the college now basks in the golden hues of its unparalleled distinction through the perseverance of pupil-teachers and the grit of its teachers. Come to LCE and take a look - into the class-rooms and labs. You'll find LCEians reading, studying, enjoying, and attending lectures. But that's not all. You'll find them working, rolling up their sleeves and getting their hands dirty while gardening. In a word, you'll find them getting experience as part of their education. While we believe in the importance of practical, nuts and bolts education, we also firmly believe in a complete education. When you come to LCE you will find that complete education is imparted within the framework of a thorough general education as prescribed by Kurukshetra University, Kurukshetra. We teach you to think logically, judge critically and communicate clearly. We want you to gain an understanding of other cultures as well besides a laid emphasis on our own culture. It's this kind of broad education that helps you rise faster in your chosen field. But most of all, it helps you grow as a compassionate human being and get more out of life</p>
Vision Statement	<p>We believe that education is a very important tool to change the society, although its impact reflects after a decade or two. There is so much to do to make man free from evils or to change the society for positive and to make the man, state, nation, or world, perfect as far as possible. We can make this change only through good teachers. It is our faith that 'A teacher is the nation builder'. So to make the society, as it should be, it is must to prepare the teachers, who may prove able themselves, for this cause. We are to make our institute a suitable component for the same.</p>
Mission and Objectives	<p>Our sole mission is to serve the country by providing efficient, skillful, dedicated and eminent teachers. Along this, to make this college a mile-stone for the same. Our mission includes- The attainment of holistic development of an individual To make ideal teachers through academic excellence, professional competence, personal, inter-personal and social skills To create an understanding and regard amongst our students for human values, pride in their heritage and culture besides a keen sense of right and wrong To grow value dignity of self and others and exhibit compassion and regard for all so that this world be a better place to live in</p>
